Dear Lauren,

This letter is in regards to the 4/23/15 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. (You need to post emergency and parent contact phone numbers near your phone. I suggest using the Phone Numbers sheet I shared with you.)

☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone.

☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (You need to practice and record monthly fire/tornado drills. I suggest using the Emergency Drill Record sheet I shared with you.)

☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (You need to re-charge or replace the 2A 10BC fire extinguisher on your main level.)

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain a copy of your dog's most recent vet statement to be kept on file. If it has been more than a year since his last check, a new appointment must be scheduled.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. (You need to obtain current physician signed statements of health for yourself and all household members to be kept on file. With the new sheet I shared with you, these need to be renewed every three years.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever**

steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 6/15/15.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 6/15/15.
